INDEPENDENT AUDITOR'S REPORT

To the Members of Empire Spices and Foods Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Empire Spices and Foods Limited**, which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with Companies (Accounts) Rules, 2014 as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the ¹Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the ¹financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management report, Chairman's statement, Director's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of

the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to the financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the ¹financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to the financial statements of **Empire Spices and Foods Limited** as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, internal financial controls with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as at March 31, 2022, based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to the financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the financial statements.

Meaning of Internal Financial Controls With reference to the Financial Statements

A Company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to the financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the the financial statements.

Inherent Limitations of Internal Financial Controls With reference to the financial statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

EMPIRE SPICES & FOODS LIMITED

NOTES FORMING PART OF FINANCIAL STATEMENTS

Note 1: Accounting Policies and Corporate Information

1. Corporate Information

Empire Spices & Foods Limited (the Company) is a public limited company having CIN U15100MH1994PLC080772. The Company was incorporated on 2nd September 1994. It is engaged in manufacturing and trading of spices and food products.

2. Significant Accounting Policies & Practices

2.1 Statement of Compliance

The financial statements have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP) in compliance with all material aspects of the Accounting Standards (AS) notified under Section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules 2014. The Financial Statements have also been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013.

2.2 Basis of Preparation

The Financial Statements are prepared under the historical cost convention on an accrual basis.

2.3 Use of estimates

The preparation of the Financial Statements in conformity with the generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of the financial statements, disclosure of contingent liabilities and reported amounts of revenues and expenses for the year. Estimates are based on historical experience, where applicable and other assumptions that the management believes are reasonable under the circumstances. Actual results could vary from these estimates and any such differences are dealt with in the period in which the results are known/materialized.

2.4 Property, Plant, Equipment and Depreciation

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any.

Cost is inclusive of all directly attributable expenses including borrowing cost related to acquisition. Expenses capitalized also include applicable borrowing costs for qualifying assets, if any. All upgradation / enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits.

Depreciation on Property, plant and equipment other than land is charged using the Straight-line method over the useful lives of the assets specified in the Schedule II of the Companies Act, 2013.

Depreciation on the asset additions is calculated on pro-rata basis from the date of such addition. For deletion / disposal, the depreciation is calculated on pro-rata basis up to the date on which such asset has been discarded

/ sold. Shift based depreciation is provided on plant and machinery wherever applicable in addition to normal wear and tear.

The residual values, estimated useful lives and method of depreciation of property, plant and equipment are reviewed at each financial year end adjusted prospectively, if appropriate.

2.5 Intangible Assets and Amortisation

Intangible Assets that the Company controls and from which it expects future economic benefits are capitalized upon acquisition and measured initially:

- a. For assets acquired in business combination or by way of a government grant, at fair value on the date of acquisition/ grant.
- b. For separately acquired assets, at cost comprising the purchase price (including import duties and non-refundable taxes) and directly attributable costs to prepare the asset for its intended use.

Internally generated assets for which the cost is clearly identifiable are capitalized at cost. Research expenditure is recognized as an expense when it is incurred. Development costs are capitalized only after the technical and commercial feasibility of the assets for sale or use has been established. Thereafter, all directly attributable expenditure incurred to prepare the asset for its intended use is recognized as the cost of such assets.

The depreciation on Specialized Software, Brands and Licenses except trademark is provided under the Straight-line method at the rate of 16.21%.

The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization period is revised to reflect the changed pattern, if any.

2.6 Impairment of assets

Impairment loss, if any, is provided to the extent, the carrying amount of assets or cash generating units exceed their recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

When an impairment loss subsequently reversed, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit and loss.

2.7 Investments

Long Term Investments are carried at acquisition cost. Provision for diminution in value thereof is provided only if such decline is other than temporary. Current investments are carried at lower of cost and quoted/fair value.

2.8 Inventories

Inventories are stated at lower of cost and net realizable value. The cost is calculated on weighted average method. Cost comprises cost of purchase and other costs incurred in the normal course of business in bringing such inventories to its present location and condition and includes, where applicable, appropriate overheads based on normal level of activity. Net realizable value is estimated selling price less estimated costs for completion and sale.

- i) Raw material, packing materials, stores, and spares: At purchase cost including other cost incurred in bringing material and consumable to their present location and condition.
- ii) Work-in-progress: At material cost, conversion costs and appropriate share of production overhead
- iii) Finished goods: At material cost, conversion costs and appropriate share of production overheads.
- iv) Stock in trade and goods in transit: At purchase cost including other cost incurred in bringing materials/ consumables to their present location and condition.

2.9 Foreign Currency Transactions

The functional and presentation currency of the Company is Indian Rupee. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognized in the Standalone Statement of Profit and Loss in the period in which they arise except for exchange differences on transactions entered into in order to hedge certain foreign currency risks.

2.10 Revenue Recognition

Revenue is recognised upon transfer of control of promised goods to customers for an amount that reflects the consideration which the Company expects to receive in exchange for those goods. Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which is usually on dispatch / delivery of goods, based on contracts with the customers. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions, incentives and returns, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government.

2.11 Employee Benefits

The undiscounted amount of Short-term Employee Benefits (i.e., benefits payable within one year) is recognized in the period in which the employee services are rendered.

Defined contribution scheme

Provident Fund and superannuation are defined contribution schemes. The contributions to these schemes are charged to the statement of profit and loss in the year in which the employee renders the related services.

Contributions under Employees' Pension Scheme is made as per statutory requirements and charged as expenses for the year.

The Company also contributes to the Central Government administered Employees' State Insurance Scheme for its eligible employees, which is defined contribution plan.

The Company has no further obligations under these plans beyond its periodic contributions.

Defined benefit schemes

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of continuous service gets a gratuity post-employment at 15 days salary (last drawn salary) for each completed year

of service as per the rules of the Company. The aforesaid liability is provided for on the basis of an actuarial valuation under the projected unit credit method carried out at the end of the financial year by an independent actuary. The scheme is funded with an insurance company in the form of qualifying insurance policy.

2.12 Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to the profit and loss account.

2.13 Taxes on Income

Taxes on income comprise of current taxes and deferred taxes. Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax laws enacted or substantively enacted by the end of the reporting period. Deferred tax assets are recognized for the future tax consequences to the extent it is probable that future taxable profits will be available against which such unused tax losses can be utilized. Income tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable.

Deferred tax assets and liabilities are offset when there is legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realize the asset and settle the liability simultaneously.

Tax Credit is recognized in respect of Minimum Alternate Tax (MAT) as per the provisions of Income Tax Act, 1961 based on convincing evidence that the Company will recover the same against normal income tax within the statutory time frame which is reviewed at each balance sheet date.

2.14 Provisions and Contingent Liabilities

Provisions are recognized when as a result of a past event, the Company has a legal constructive obligation; it is probable that an outflow of resources will be required to settle the obligation; and the amount can be reliably estimated. The amount so recognized is a best estimate of the consideration required to settle the obligation at the reporting date, considering the risks and uncertainties surrounding the obligation.

In event when the time value of money is material, the provision is carried at the present value of the cash flows estimated to settle the obligation.

A disclosure of a contingent liability is made when there is a possible obligation or a present obligation that may but probably will not require an outflow of resources. When there is a possible obligation or a present obligation and the likelihood of outflow of resources, is remote, no provision or disclosure of contingent liability is made.

2.15 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

2.16 Leases

As a Lessee:

Lease, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

Finance lease, which effectively transfers to the Company substantially all the risks and benefits incidental to ownership of the leased item are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments.

2.17 Earnings per share

Basic Earnings per share is calculated by dividing the net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. For the purposes of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.18 Government Subsidy

Government grants are recognised where there is a reasonable assurance that the grant will be received and all attached conditions will be complied with. Government grants relating to income are recognised in the profit or loss over the periods necessary to match them with the costs that they are intended to compensate and presented as other operating revenues. The Company accounts for its entitlements based on the claim approved by the government authority.

2.19 Corporate Social Responsibility

CSR obligation met by the Company is treated as an expense and hence charged to the statement of profit and loss, in the year such expenditure is incurred. No provision for unspent part of CSR obligation is made. Unspent part is disclosed in explanatory notes in financial statement.
